Break Time Final Grade								

All the grades including attendance, charting, practice and total must be filled out by the supervisor of the clinic shift day. **If the intern writes the grade by himself or herself, the grades will not be counted. Interns who have break time shifts must hand in a physical case report to the clinic staff, Ms.Katherine at the end of this break time to receive the break time final grade from the clinic dean.** This grading sheet should only contain the 40 hours from one register break time shift. No make-up hours or other break time shift hours are allowed in this grading sheet.
