

Campus Safety and Annual Security Report

Any crime occurring on campus or on the streets and sidewalks directly adjacent to the campus must be reported to the Dean at Alhambra Medical University. The Federal Campus Security Act of 1990 requires that all colleges and universities receiving federal funds provide annual statistics on several specific categories of crime to the government and to the members of the college community. Below you will find crime statistics that occurred on or directly adjacent to the campus for the last three years.

Criminal Offense / Hate Crime – On Campus and Adjacent	2013	2014	2015
